Norman Eric Richardson, LVO, B.A, Group Captain, RNZAF Ret.

When Norman Eric Richardson, LVO, B.A, Group Captain, RNZAF Ret. was forced to retire from SeniorNet some years ago due to ill health we lost one of our most knowledgeable and enthusiastic supporters. So it is with sadness that I now acknowledge his death just before Christmas last year.

Before coming to live in Havelock North and joining our Centre, Norman had a very successful career in the RNZAF, having performed various tasks overseas and also filling the position of Comptroller at Government House

He was an early member of SeniorNet and devoted hours and hours of his time to members. He was a prodigious reader of publications relating to computers and new programs. Norman was not only an exceptional tutor, he was able to write clear and concise manuals as required.

His service on the Committee was invaluable as was his sage advice from time to time and his term as Treasurer guaranteed worry free years. He had the knack of acquiring and conserving funds, which resulted in our purchase and maintenance of much of the equipment we now have.

Norman's contribution to the success of SeniorNet H.B. Inc cannot be exaggerated. To our members he was Norman, Life member, Treasurer, committee member, tutor, manual writer and fountain of knowledge.

One or two pointers to consider when coming to classes

Please make sure that your phones and devices are fully charged and that you bring along any cable/connections that you have for your device.

Bring along a note of your email address plus any passwords that you may wish to use.

Our courses involving MS Office programmes are taught/ demonstrated using MS Office 2016 which is part of MS Office 365. If you have a similar programme on your computer or laptop it is up to you to adapt our lessons to your own machine. Whilst help will be given where possible, it is not always possible for our tutors to be familiar with every programme available.

You do need to enrol for courses

To save any embarrassment to yourself and the tutors, you do need to send in a course application form which you'll find on the **last page** of this newsletter or our Web Page, together with the appropriate fee prior to the course starting.

PLEASE do not 'just turn up' for the course thinking it will be OK

Change of details

If you are changing your e-mail address, it is up to you to inform us of that change. If you do not, you will be missing out on important information that is sent out to members via e-mail

Our Learning Centre is situated at: Nimon House – upstairs, Mary Doyle Lifecare, Karanema Drive, Havelock North

A new supermarket opened near my house. It has an automatic water mister to keep the produce fresh. Just before it goes on, you hear the sound of distant thunder and the smell of fresh rain. When you approach the milk cases, you hear cows mooing and experience the scent of fresh hay. When you approach the egg case, you hear hens cluck and cackle, and the air is filled with the pleasing aroma of bacon and eggs frying. The veggie department features the smell of fresh buttered corn. I don't buy toilet paper there any more.
