

An introductory letter from our Chairman:

I am currently the Club Captain of the Heretaunga Croquet Club. Many of you have probably driven past our facility in Napier Road. We have 9 beautifully cared-for lawns, a vibrant Club and, by membership, we are the largest Club in the country. It's a great game and I love it.

A year ago I put my name forward to assist SeniorNet as it was going through a troubled patch. I thought I was going to make cups of tea for the remaining committee members but to my surprise ended up on the committee itself. Again, to my continuing surprise, I now find myself in the 'hot seat' . . . so to speak!

Ian Brown

I have been a member of SeniorNet for at least 5+ years, attended Marion Crawford's very good Photo Book Course on two occasions, attended a course run by the late Norman Richardson, been to a couple of AGM's and was present last October when Grant Sidaway chaired a meeting when we found ourselves in a bit of strife. A year on from that special general meeting I now find myself chairing the current crop of new faces who are determined to make SeniorNet Hawkes Bay start buzzing once again. We are working on a programme for Term 4 that we hope you will find interesting. I look forward to your participation and meeting you all as time goes by.

In the meantime, if you have any ideas about what you would like to see on future programmes please talk to a committee member. Also, if you have ever harboured any thoughts of improving your existing skills with technology you may be the very person we are looking for to be a helper, then to move on to become a tutor! Give it some thought, project yourself and be bold enough to get out of your comfort zone. ***Just a thought!***

### *Joke time!*

Whoever said that the definition of insanity is doing the same thing over and over and expecting different results has obviously never had to reboot a computer.
